

Nutrition API

1. Creating an account using username, email id, password

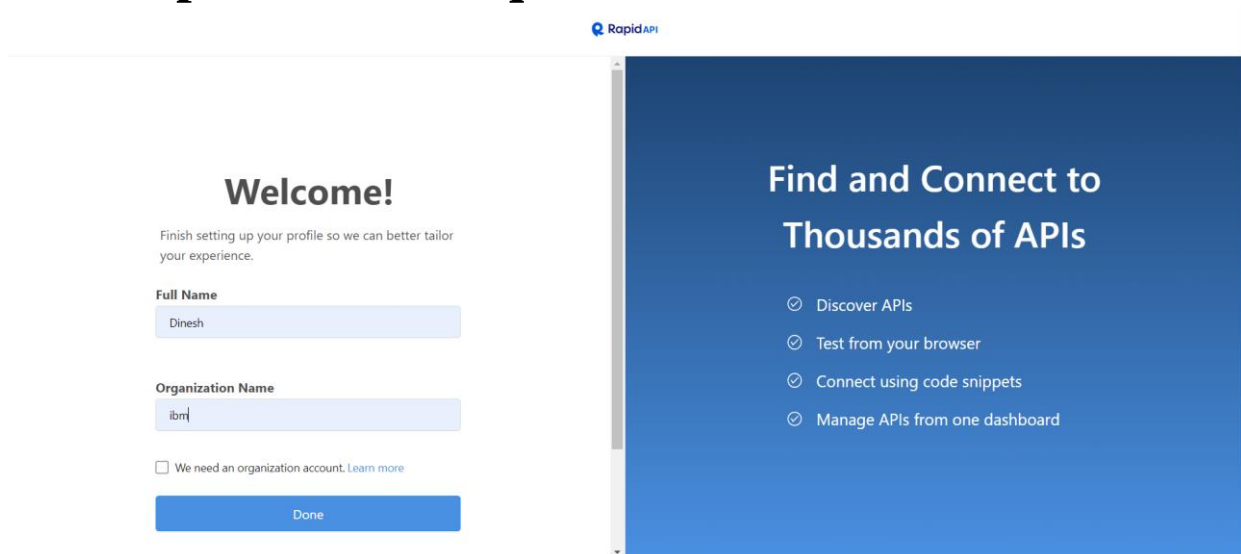

The image shows the RapidAPI sign-up page. On the left, there is a form with the following fields: a Facebook sign-up button, a 'Username' field containing 'Dinesh', an 'Email' field containing 'dineshjanakiraman888@gmail.com', and a 'Password' field with a strength indicator showing 'Strong'. Below the password field is a reCAPTCHA 'I'm not a robot' checkbox. A blue 'Sign Up' button is at the bottom of the form. To the right of the form is a large blue sidebar with the text 'Find and Connect to Thousands of APIs' and a list of features: 'Discover APIs', 'Test from your browser', 'Connect using code snippets', and 'Manage APIs from one dashboard'. At the bottom of the form, there is a link 'Already on RapidAPI? Log in'.

2. By entering verification code will tends to perform further steps.

The image shows the RapidAPI email verification page. At the top, a green notification bubble says 'The code has been sent successfully'. The main heading is 'Verify your email address to continue'. Below this, a message states: 'We've sent a 6-digit verification code to agilaganesan08@gmail.com. It will expire shortly, so please enter the code below to continue.' There is a row of six empty input boxes for the verification code. Below the boxes is a link 'Didn't get the email? Resend email'. To the right is the same blue sidebar as in the first image, with the text 'Find and Connect to Thousands of APIs' and the same list of features. The browser's address bar shows 'rapidapi.com/auth/sign-up-verification'.

3. Also provide the required details

The image shows the RapidAPI 'Welcome!' screen. On the left, there is a form with the following fields: 'Full Name' with the value 'Dinesh', 'Organization Name' with the value 'ibm', and a checkbox for 'We need an organization account. Learn more'. A 'Done' button is at the bottom of the form. On the right, a blue sidebar contains the heading 'Find and Connect to Thousands of APIs' and a list of four features: 'Discover APIs', 'Test from your browser', 'Connect using code snippets', and 'Manage APIs from one dashboard', each preceded by a checkmark icon.

Welcome!

Finish setting up your profile so we can better tailor your experience.

Full Name

Dinesh

Organization Name

ibm

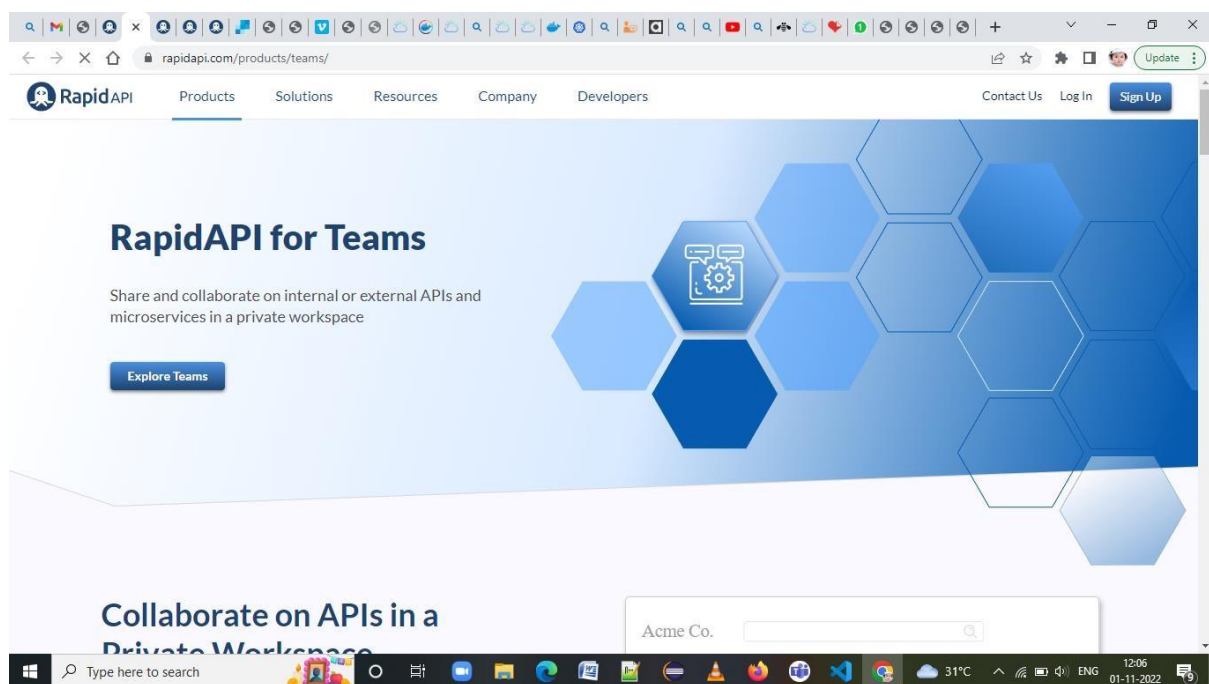

☐ We need an organization account. [Learn more](#)

Done

Find and Connect to Thousands of APIs

- ✓ Discover APIs
- ✓ Test from your browser
- ✓ Connect using code snippets
- ✓ Manage APIs from one dashboard

4. This is the main page after you login

5. The Nutrition API Page

The screenshot displays the RapidAPI interface for the 'Recipe - Food - Nutrition' API. The page is titled 'Recipe - Food - Nutrition' and is marked as 'PREMIUM' and 'Verified'. The 'Endpoints' tab is active, showing a list of endpoints on the left. The selected endpoint is 'GET Search Recipes', which is described as a method for searching recipes by query, ingredients, and nutrients. The 'Request URL' is 'rapidapi.com'. The 'Header Parameters' section shows 'X-RapidAPI-Key' set to 'SIGN-UP-FOR-KEY' and 'X-RapidAPI-Host' set to 'spoonacular-recipe-food-nutrition-v1.p.rapidapi.com'. The 'Code Snippets' tab is also active, showing a Node.js Axios code snippet for making a GET request to the API endpoint.

GET Search Recipes

Search through thousands of recipes using advanced matching and ranking. NOTE: Since this method combines searching by query, by ingredients, and by nutrients into one endpoint, each request counts as 3 requests.

Request URL

rapidapi.com
REQUIRED

Header Parameters

X-RapidAPI-Key
ENUM
REQUIRED
SIGN-UP-FOR-KEY

X-RapidAPI-Host
STRING
REQUIRED
spoonacular-recipe-food-nutrition-v1.p.rapidapi.com

Code Snippets

(Node.js) Axios

```
const axios = require("axios");

const options = {
  method: 'GET',
  url: 'https://spoonacular-recipe-food-nutrition-v1.p.rapidapi.com/recipes/complexSearch',
  params: {
    query: 'pasta',
    cuisine: 'italian',
    excludeCuisine: 'greek',
    diet: 'vegetarian',
    intolerances: 'gluten',
    equipment: 'pan',
    includeIngredients: 'tomato,cheese',
    excludeIngredients: 'eggs',
    type: 'main course',
    instructionsRequired: 'true',
    fillIngredients: 'false',
    addRecipeInformation: 'false',
    titleMatch: 'Crock Pot',
    maxReadyTime: '20',
    ignorePantry: 'true',
    sort: 'calories'
  }
}
```
